BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF WESTERN LEWIS-	)	CASE NO. 9642-X
RECTORVILLE WATER AND GAS DISTRICT	)	

O R D E R

On February 4, 1987, the Commission issued its Order in Case No. 9642 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On November 29, 1989, Western Lewis-Rectorville Water and Gas District ("Western Lewis") notified the Commission that its wholesale cost of gas would be increased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective November 1, 1989, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Western Lewis's notice of November 29, 1989 set out certain revisions in rates which Western Lewis proposed to place into effect, said rates being designed to pass on a wholesale increase in price from its supplier in the amount of \$5,276 or 8.98 cents per Mcf.

(2) Transmission applied with the Federal Energy Regulatory Commission for an increase with an effective date of November 1, 1989. These rates are subject to refund; hence, Western Lewis's rates should be subject to refund. The effective date for Western Lewis's rates should be 30 days from the filing date or December 29, 1989.

(3) Western Lewis incorrectly calculated its proposed adjustment based on rates proposed and rejected in Case No. 9642-W.<sup>1</sup> The rates approved in Case No. 9642-V<sup>2</sup> should be used as the basis for calculating Western Lewis's proposed adjustment.

(4) Western Lewis's corrected adjustment in rates under the PGA provisions approved by the Commission in its Order in Case No. 9642 dated February 4, 1987 is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after December 29, 1989, subject to refund.

IT IS THEREFORE ORDERED that:

(1) The rates proposed by Western Lewis in its notice of adjustment are hereby denied.

(2) The rates in the Appendix to this Order, attached hereto and incorporated herein, are hereby authorized effective with gas supplied on and after December 29, 1989, subject to refund.

<sup>2</sup> Case No. 9642-V, The Notice of Purchased Gas Adjustment Filing of Western Lewis-Rectorville Water and Gas District, Order dated November 22, 1989.

(3) Within 30 days of the date of this Order, Western Lewis shall file with this Commission its revised tariffs setting out the rates authorized herein.
